Ok thanks. Gliem - can you ensure Tiffany Christopher has this info about social media still pushing the event, and confirm that the organizers have been notified that they shall not gather for this when you can.

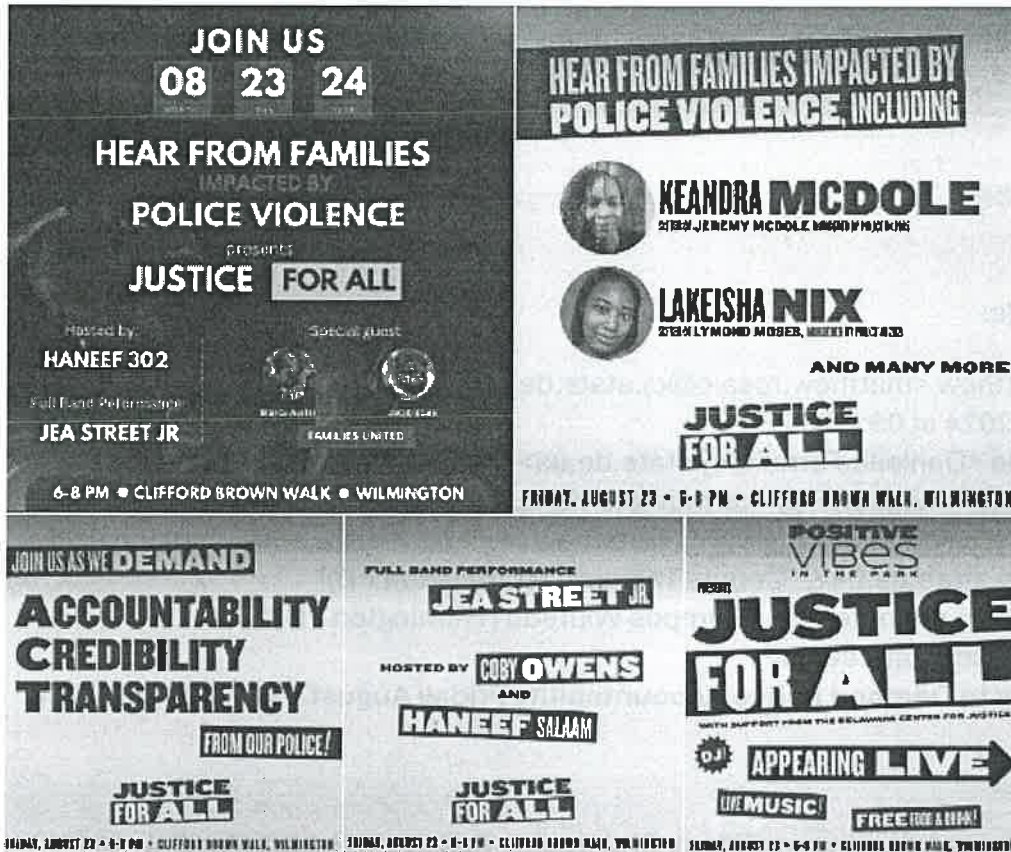

Also, could you see if Tiffany has a point of contact she could pass along for me in the event I need to reach out on Friday. Thanks for helping me scramble with this.

Thanks all,  
Matt

It's just supposed to be positive vibes in the park this Friday.

I didn't see this particular advertisement but there was one I was uneasy about and I called Haneef with my concerns and he said it was just music and vendors with the people in attendance. He said it wasn't a rally.

I'm going to shut it down anyway.
