

Creating a Lasting Legacy at OLLI-W

Thanks to OLLI members, past and present, and the Bernard Osher Foundation, OLLI-W's endowment supports our courses, resources, and staff annually. This funding keeps fees affordable and supports our instructors. Managed within the University of Delaware's endowment, funds grow to benefit OLLI-W through expanded programming, scholarships, technology and more. Donors can create or contribute to existing funds aligned with their interests, enabling lifelong learning opportunities for members.
