VIA EMAIL AND US MAIL

Dear Commissioner Goode:

I am an appointed official in the City of Rehoboth Beach ("City") who you frequently target for personal attacks. The personal attacks portray me in a false light, baselessly attack my competence and integrity, and amount to harassment.

Outside of a duly convened meeting of the Mayor and Commissioners, you are a private citizen with no rights greater than a member of the public, except as afforded by Charter or Code. You have no right to defame, accuse, demean or harass me in any capacity. Nor do you have a right to interrogate me. The council-manager form of local government vests the day-to-day operations of the City as the responsibility of the City Manager. Your incessant communications interfere with those duties.

Henceforth, I will not be responding to communications from you. You shall not take my lack of a response as agreement, or use my lack of a response as anything other than a reminder that you communicated with me in a format with which I have formally disagreed, and I object.

Finally, I demand that you immediately **CEASE AND DESIST** any further publication, dissemination or speaking of untruthful, false, malicious and defamatory statements regarding me, attacking my competence and integrity, and harassing me. Your doing so is inconsistent with the right to be free from harassment and hostility in a civilized workplace.

If you do not immediately **CEASE AND DESIST** your conduct, your failure to do so will serve to aggravate the situation and increase a judgment against you personally. I reserve all rights.

Very truly yours,

Taylor Tedder
