DOB: 1989-12-06, SSN: [REDACTED]-7524

I, Jeffrey Terrell Investigator, with the Louisiana State Police Department, certify under oath based on the information outlined below, that there is probable cause to believe Bruce William Tigani Jr. on or about 06/21/2025 at 07:01 pm EST to 10:45 pm EST did commit:

Count(s) 1 of R.S. 14:122.2 Threatening a public official or law enforcement officer
(Misdemeanor)

within this State and Parish at:
300 Washington Street
Ste. 203
Monroe, Louisiana 71201

and the jurisdiction of the 4th Judicial District Court, contrary to the form of the statutes of the State of Louisiana in such case made and provided, and against the peace and dignity of the same, in that the following did occur:

On June 22, 2025, I, Criminal Investigator Jeff Terrell, Louisiana State Police Criminal Intelligence Unit Monroe Field Office, received information that Louisiana State Representative, District 14, Michael Charles Echols, received threatening messages on the social media application "X", formerly known as Twitter.

On June 21, 2025, "X" user (abe@CivisXXXX) posted the following threatening statements on "X" to user Michael Echols, Louisiana State Representative: "Delete your account... then your life... assistance will be provided if you don't take your own measures...k thanks bye", "Lol your life is over... get ready... piece by piece then all at once remember? Little pieces for the fishies", "Lol fivehead fucktard... what you think will happen when we come to Louisiana... you think you're walking away from this? Hahahahahahah game fucking over dipshit... life ending over... kiss your kids through glass windows surrounded by guards over... if you're lucky", "You're going to lose everything you ever even thought about loving... wife? Bye... kids? Bye... cushy job as a do nothing politician? Bye... we just laughed along with someone in very close proximity to US congressional power about your PBM bill... a Republican... laughing at you.", "If you think we're not showing up at your crib that's hilarious... it's swampy down there this time of year but worth it to put a dent in that fivehead of yours. Sweetheart it's gonna be a long long summer you hog... say goodbye to your children". One of the posts made by "X" user abe@CivisXXXX mentions coming to Louisiana giving evidence that the user was not in Louisiana.

These threats are in violation of Louisiana R.S. 14:122.2 / Threatening a public official or law enforcement officer; penalties; definitions

A. (1) Threatening a public official or law enforcement officer is engaging in any verbal or written communication that communicates a true threat to a public official or law enforcement officer.

(2) Whoever commits the crime of threatening a public official or law enforcement officer shall be fined not more than five hundred dollars, or imprisoned for not more than six months, or both.

B. For purposes of this Section:

(1) "Law enforcement officer" means any employee of the state, a municipality, a sheriff, or other public agency, whose permanent duties actually include the making of arrests, the performing of searches and seizures, or the execution of criminal warrants, and who is responsible for the prevention or detection of crime or for the enforcement of the penal, traffic, or highway laws of this state.

(2) "Public official" means any executive, ministerial, administrative, judicial, or legislative officer of the state of Louisiana.

(3) "True threats" occur when a person communicates a serious expression of an intent to commit an unlawful act of violence upon a person or group of persons with the intent to place such persons in fear of bodily harm or death. The person need not actually intend to carry out the threat.

(4) "Verbal or written communication" means any textual, visual, written, or oral communication, including communications made through social media.

On June 25, 2025, I secured a search warrant through the 4th Judicial District Court for the subscriber information for "X" user (abe@CivisXXXX). The search warrant return revealed the IP address of "X" user (abe@CivisXXXX) when the X account was created and the IP addresses of "X" user (abe@CivisXXXX) at the time the threatening posts were made on June 21, 2025. These IP addresses were all in the area of Washington D.C. These IP addresses were from numerous internet service providers. The IP sources included Verizon Wireless and Starry, Inc. (Internet Service Provider). The search warrant also identified the Gmail address of "X" user (abe@CivisXXXX) as (roaringyeti@gmail.com).

On September 03, 2025, I secured a search warrant for the Gmail address (roaringyeti@gmail.com) through the 4th Judicial District Court. The search warrant was submitted to Google through Google Law Enforcement Request System, reference number 107128248.

The search warrant return for the Google Gmail account (roaringyeti@gmail.com) revealed the name of the subscriber as Roaring Yeti. There were no telephone numbers, no photographs, and no other email accounts associated with the user's Gmail account. The Gmail account (roaringyeti@gmail.com) was created on 09/21/2024. There were two emails recovered that were sent from the Gmail account (roaringyeti@gmail.com), and they were replies to emails from X in reference to disabling the "X" account of user (abe@CivisXXXX). The IP address these emails were sent from was revealed as Starry, Inc IP address (28.42.15.29). Both of the email replies sent to "X" from the Google Gmail account (roaringyeti@gmail.com), were threatening in nature.

On September 30, 2025, I secured a search warrant through the 4th Judicial District Court for IP addresses that were identified in the "X" search warrant as Verizon IP addresses used by the suspect at the time of the threatening posts made to the social media platform "X". The search warrant was submitted to Verizon Wireless through the law enforcement portal VSAT, reference number 25552735-0.

On November 3, 2025, I received the search warrant return from Verizon Wireless. The return contained NATting IP information.

NATting IP information refers to the process by which Network Address Translation (NAT) modifies IP addresses as data packets pass through a router or firewall. NAT helps multiple devices on a private network use a single public IP address to access resources on external networks, such as the Internet, thereby conserving public IP addresses and providing security by masking internal IPs.

The NATting information did not provide any useful information that would lead to a specific telephone number or user.

An IP address (28.42.15.29) was identified in the search warrant return from "X" for user (abe@CivisXXXX) and the search warrant return from Google Gmail for user (roaringyeti@gmail.com). This IP address was the originating IP address used by Gmail account (roaringyeti@gmail.com) to correspond with social media platform "X" concerning the disabling of the "X" account for user abe@CivisXXXX.

The IP address (28.42.15.29) was determined to belong to Starry, Inc, an Internet Service Provider (ISP) located in Boston, Massachusetts. Based on this information, on November 6, 2025, I obtained a search warrant through the 4th Judicial District Court for the IP address (28.42.15.29) subscriber information on Starry, Inc. On November 7, 2025, the search warrant for Starry, Inc was emailed to <legal@starry.com>.

On November 10, 2025, I received the search warrant return from Starry, Inc. Starry, Inc identified the IP address (28.42.15.29) as belonging to Starry, Inc., customer, Bruce Tigani at the address 915 L Street Northwest, Unit 609, Washington, DC 20001, phone number – 1(302)528-2415.

On November 14, 2025, I met with State Representative Michael Echols. I asked Echols if he knew Bruce Tigani from the Washington DC area and he stated he did not know Bruce Tigani.

Through investigative means, I determined that Bruce Tigani, AKA Bruce Tigani Jr, was the son of Bruce W. Tigani, an attorney and partner at the law firm Morris James located in Delaware. Morris James law firm has represented Medical Properties Trust LLC (MPT) in litigation in the past and suspect Bruce Tigani Jr heavily promotes MPT stock on social media. Representative Michael Echols has been very critical of MPT because of allegations of fraud involving a Ouachita Parish hospital, Glenwood Regional Medical Center (GRMC). MPT purchased the real estate of Glenwood Regional Medical Center in 2013 from IASIS Healthcare, though it did not purchase the hospital's operations at that time. The hospital's operations were eventually sold to Steward Health Care in 2017, which then assumed the lease on the property from MPT. MPT reportedly rented the property to Stewart Health Care at a very high cost to syphon money from GRMC.

Representative Echols has held hearings at the Louisiana State Capitol concerning this matter and he has been publicly critical of MPT. Representative Echols believes his critical remarks about MPT, the hearings at the State Capitol about MPT, and Bruce Tigani's support of MPT would be the motive for Bruce Tigani to make threats towards him.

On November 18, 2025, I secured a search warrant through the 4th Judicial District Court for the subscriber information on Verizon cellular telephone number 1(302) 528-2415. This is the telephone number identified by Starry, Inc. Internet service as belonging to the account of Bruce Tigani. The search warrant was submitted to Verizon through Verizon Security Assistance Team Law Enforcement Request System, reference number 25631859-0.

On December 04, 2025, I received the search warrant return from Verizon for mobile telephone number 1(302) 528-2415. The search warrant return revealed the subscriber information for telephone number 1(302) 528-2415 as Bruce Tigani, Social Security number: [REDACTED] 105 Perkins Avenue, Wilmington, DE 19809-1723. The device was identified as an Apple iPhone 13/ 128 gb.

On December 02, 2025, I contacted Detective Michael Milochik, DC Metropolitan Police Department, for assistance in identifying the person residing at 915 L Street Northwest, Unit 609, Washington, DC. Detective Milochik advised he would check with the United States Postal Service to see who received mail at the address.

On December 08, 2025, I received a Form 75 from the United States Postal Inspection Service. and the recipient of trackable mail to the address, 915 L Street Northwest Apartment 609, Washington, DC 20001, was Bruce Tigani. The recipient of trackable mail to 105 Perkins Avenue, Wilmington, DE 19809, was Bruce Tigani.

In summary, the search warrant for the "X" user (abe@CivisXXXX) disclosed the Gmail address (roaringyeti@gmail) and several IP addresses on Verizon mobile and Starry, Inc., an Internet service provider.

The search warrant to Google for the subscriber information on Gmail account (roaringyeti@gmail), of "X" user (abe@CivisXXXX), revealed IP addresses on Verizon mobile and Starry, Inc. The search warrant also revealed emails sent to "X" in response to the "X" account (abe@CivisXXXX) being disabled for violation of the "X" terms of service.

The search warrant to Starry, Inc revealed the IP address used to send emails between the email address (roaringyeti@gmail.com) of "X" user (abe@CivisXXXX) and "X", belong to the Starry Inc internet subscriber: Name: Bruce Tigani
Service address of 915 L Street Northwest Apartment 609, Washington, DC 20001
Phone number: 1(302) 528-2415 (Verizon Mobile)
Date of service: 6/25/2025 to present
Email: bjtigani@gmail.com

The search warrant to Verizon for subscriber information for mobile telephone number 1(302) 528-2415, revealed the subscriber as: Bruce Tigani, Social Security number: [REDACTED] 7524, 105 Perkins Avenue, Wilmington, DE 19809-1723. The device was identified as an Apple iPhone 13/128 gb.

The USPS inquiry revealed that Bruce Tigani receives mail at 915 L Street Northwest Apartment 609, Washington, DC 20001 and at 105 Perkins Avenue, Wilmington, DE 19809.

This investigation has revealed there is probable cause to believe that the threats made to Louisiana State Representative Michael Echols on the social media platform "X" were made by "X" user (abe@CivisXXXX). "X" user (abe@CivisXXXX) and Gmail account (roaringyeti@gmail) have been identified as using a Starry, Inc., IP address (28.42.15.29) belonging to Starry Inc customer Bruce Tigani, phone number 1(302) 528-2415 at the address 915 L Street Northwest, Apartment 609, Washington, DC 20001. Bruce Tigani receives USPS mail at 915 L Street Northwest, Apartment 609, Washington, DC 20001. Verizon mobile telephone number 1(302) 528-2415 is assigned to customer Bruce Tigani, 105 Perkins Avenue, Wilmington, DE 19809. The USPS inquiry revealed that Bruce Tigani receives mail at 105 Perkins Avenue, Wilmington, DE 19809.

Bruce Tigani promotes Medical Properties Trust (MPT) stock on social media, and his father's law firm has represented MPT. Michael Echols has been publicly critical of MPT, giving Bruce Tigani motive to make threats to Michael Echols.
